

What the World Needs Now Is More Palmer Chiropractors.

These days the world needs more healers, more people to uplift hearts, more doctors of chiropractic educated to enhance the body's power to heal itself. The world needs more Palmer Chiropractors.

Why send prospective students anywhere but a Palmer college? The Palmer colleges are leaders in the profession, and Palmer students become successful chiropractors as well as future leaders.

Best of all, students now have an opportunity for a Palmer education in three locations. The Palmer vision lives not only in the heartland, but on both coasts as well. Make sure there are more numbers on this map by referring students.

For more information, contact an Admissions Department near you, or check out the Web site at www.palmer.edu.
