WELLNESS... a Celebration of Vitality

Wellness... What great meaning that word connotes – rich... profound...sublime, yet simple and, above all, real, and available through chiropractic. This program brings you insight into the evidence-based science of wellness, research and ethical aspects of serving your patients in the emerging frontier.

WELLNESS... a Celebration of Wholeness

You can do great good for your patients when you create – with knowledge and performance – the unity of chiropractic and wellness living. Come to absorb the information, resources and teaching skills necessary to lead your patients to a new experience in health and vitality.

WELLNESS... a Neat Fit for Chiropractic

The practical research and science-based program addresses important health issues in which chiropractors already excel: wellness validation through chiropractic, nutrition/natural hygiene, physical fitness/spinal hygiene, and wellness state of mind/stress hygiene/ secrets of eliciting patient lifestyle change.

WELLNESS... the Certification

This eight-module program (4 on-site and 4 take-home modules) culminates in the official postgraduate Wellness Certification by the ICA Council on Wellness Science, and provides a foundation for understanding and communicating behavioral changes that yield important health benefits to your patients.

A FLEXIBLE FRIENDLY SCHEDULE

Your wellness schedule is made for your convenience. You may attend the modules in any order and at any of the locations you so chose. You are not confined to the sequence as shown.
