

X-RAY DIGITIZATION MADE EASY...

Increased Attorney Referrals Be the top expert in your area that personal injury attorneys are eager to refer their clients to.

No Cost to the Doctor for Service or Shipping Send us your films and we'll bill the insurance company for you.

Confirm your Diagnosis Now there's a service that objectively determines Croft Treatment Guideline categories.

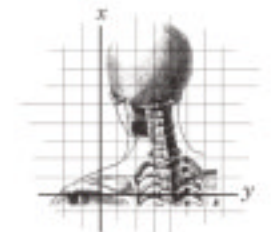

Ratable Impairments per the AMA We use the current chiropractic and AMA guidelines to prove specific impairment percentages due to injury.

Stop Insurance Adjustors before they cut your claim Protect yourself and your patients by documenting structural bio-mechanical damage (ligament tearing).

Become an Evidence Based Practice !

SEND US YOUR X-RAY FILMS AND WE'LL DO THE REST!

CALL OR VISIT US ONLINE FOR MORE INFORMATION ON HOW THIS PROGRAM CAN REVOLUTIONIZE YOUR PRACTICE

SPINAL-LOGIC

Spinal-Logic Diagnostics, Inc. 1-800-768-7253 Ext. 2 or www.spinallogic.com

Software & Evidence Based Practice System that Solves the Challenges of...

- **Being HCFA compliant for functional assessments**
- **Not getting reimbursed in timely fashion**
- **Being informed treatment exceeds reasonable range**
- **Payers down-coding services and reducing your fees**
- **Attorneys expecting you to settle for pennies on the dollar**
- **IME's determining patients no longer need care**
- **Documenting the need for continued treatment**

Myo-Logic Diagnostics **MSM 7000**

"Know the rules.
Play by the rules.
Play to win."
Harold McCoy, DC, DACS

"All other systems are now OBSOLETE."
Daniel J. Murphy, DC, DABCO
