

the key to

Life

When a young person is seeking the key to a successful and highly rewarding career, then they need look no further than Life University.

Doctors of chiropractic just like you have -- over the past quarter century -- referred thousands of students to Life. There must be a reason. At Life, home to the world's largest college of chiropractic, your referral will receive a progressive, high-quality education in the science, art, and philosophy of chiropractic.

In addition, Life offers an outstanding undergraduate program that provides all the pre-chiropractic courses needed for entry into the doctor of chiropractic degree. In fact, Life University is the perfect choice for the student seeking an academic program right out of high school.

Life University's location in Metro Atlanta, the **economic heart of the New South**, offers a wide variety of choices in culture, recreation, employment, and housing.

YOU CAN'T GO WRONG BY COMING TO LIFE!

Life University is fully accredited by the Commission on Accreditation - Council on Chiropractic Education and the Southern Association of Colleges and Schools.
